the son of the distinguished general profiles his father's long career and his key role in such events as the Vietnam War nuclear retaliation and the Bay of Pigs invasion

intense anyone familiar with the Band of Brothers story will want to read this book military review easy company of the 506th Parachute Infantry Regiment of the 101st Airborne Division has become one of the most famous small units in US history but fewer people are aware of Fox Company of that same regiment the men who fought alongside Easy Company through every step of the war in Europe

and who had their own stories to tell wwii vet bill brown decided to research the fate of a childhood friend who had served in fox company along the way he met terry poyser who was on a similar mission to research the combat death of a fox company man from his hometown together the two authors proceeded to locate and interview every surviving fox company vet they could find the ultimate result was this book a decade in the making offering a wealth of fascinating firsthand accounts of wwii combat as well as new perspectives on dick winters and others of the band told primarily through the words of participants fighting fox company takes us through some of the most horrific close in fighting of the war beginning with the chaotic nocturnal paratrooper drop on d day after fighting through normandy the drop into holland saw prolonged ferocious combat and even more casualties and then during the battle of the bulge fox company took its place in line at bastogne during one of the most heroic against all odds stands in us history as always in combat each man s experience is different and the nature of the german enemy is seen here in its equally various aspects from ruthless ss fighters to meek volkssturm to simply expert modern fighters the screaming eagles encountered the full gamut of the wehrmacht the work is also accompanied by rare photos and useful appendices including rosters and lists of casualties to give the full look at fox company that has long been overdue

from d day to the battle of the bulge and more here is the authorized biography of one of the most celebrated paratroopers of easy company sergeant shifty powers the legendary sharpshooter from the band of brothers look for the band of brothers miniseries now available to stream on netflix as a boy darrell shifty powers s goal was to become the best rifle shot he could be his father trained him to listen to the woods to see without his eyes little did shifty know his finely tuned skills would one day save his life and the lives of his fellow paratroopers as one of the original men who trained at camp tocoha georgia shifty was one out of only two soldiers in easy company to initially earn the coveted expert marksman designation he parachuted into france on d day and fought for a month in normandy eighty days in holland thirty nine in the harshly cold winter of bastogne and for nearly thirty more near hagenau france and the ruhr pocket in germany shifty s war is a tale of heroism and adventure of a soldier s blood filled days fighting his way from the shores of france to the heartland of germany and the epic story of how one man s skills as a sharpshooter and engagingly unassuming personality propelled him to a life greater than he could have ever imagined

this research topic is the second volume of the article collection optimizing player health recovery and performance in basketball please see the first volume here in line with the first volume basketball is a popular team sport played all over the world by male and female players participating in various competitions as the game continues to evolve there are new challenges and opportunities being faced by

teams consequently basketball organizations constantly seek competitive advantages that optimize the health recovery and performance of players through various practices the growing body of basketball research provides an essential evidence base for basketball organizations to draw upon when implementing different practices as such it is important that sound basketball research with strong practical translation is produced on topics relevant to player health recovery and performance in this regard examination of coaching training testing monitoring nutrition recovery injury prevention psychological performance analysis and sleep strategies as well as technological innovations that can improve the existing understanding and practices in basketball would prove advantageous for basketball coaches high performance staff and players alike
